

# Advanced Preflight & Pilot-Owner/Operator Maintenance Issues - DVT

Become more perceptive on your aircraft preflight to insure greater margins of safety. Learn what you the pilot can do in terms of preventative maintenance and be able to communicate issues to maintenance technicians effectively. Spot telltale signs of impending mechanical failures. Also brief info on faasafety.gov, Wings, AMT on-line and GA Awards program.

**Directions:** Park in Deer Valley Airport terminal parking lot. Proceed into Cutter Aviation Lobby and assemble in hangar.

## A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
